Civil Engineering and Site Grading Related Work Permit Plans and Specifications Submittal Requirements per Washington County Grading Ordinance (WCC) 689.

ADMINISTRATION

Permits Required. Except as exempted in WCC -14.12.040, no person shall do any grading without first obtaining a grading permit from the Building Official. A separate permit shall be obtained for each site, and may cover both excavations and fills.

SUMMARY SUBMITTAL PACKAGE

- 1. Application Form (Complete signed by owner)
- 2. Project Narrative (Provide Summary and Description of proposed work per WCC 14.12)
- 3. 3 copies of Grading and Construction Plans prepared per WCC 14.12.130
- 4. 3 copies (one wet-inked signature) of Geotechnical Engineering Report per WCC 14.12.110(B)
- 5. 3 copies of Engineering Geology Report, when applicable, per WCC 14.12.110(C)
- 6. Grading Plan Review Fee
- 7. 1 copy of Drainage Analysis Report per WCC 14.12.310

Note: For a complete list of grading plan specifications and submission requirements, please see Washington County Grading Ordinance (WCC) 689 - 14.12.360.

OTHER AGENCY REQUIREMENTS

A grading permit can be issued upon compliance with the Washington County Grading Ordinance 689, Community Development Code and all other applicable outside agencies. The most restrictive standard shall prevail where there is appearance of conflicts.
