

Permit Revision Application and Submittal Requirements

A Permit Revision is required when changes to a project are proposed after the County-approved permit is issued.

Revisions must include:

If your plans were originally submitted via paper plans, submit to our office:

- A copy of this application
- Two (2) sets of plans with the proposed change(s) clouded
- Two (2) sets of calculations or engineering, if applicable
- A narrative with a clear description of the revision

If your plans were originally submitted via Electronic Plan Review:

- Email a copy of this application to LUTBldg@co.washington.or.us
- A narrative with a clear description of the revision
- Revised sheets will be uploaded into the documents and drawings folder in ProjectDox. The revised sheets must be named the exact same as the original sheets so it creates a 2nd version. The proposed change(s) must be clouded

Drawings and calculations must be stamped and signed by the Architect and/or Engineer of Record, if applicable.
