## Elwert/Kruger roads intersection project

### Elwert Road closure expected to begin Oct. 30

Elwert Road, between Pacific Highway 99W and Kruger Road, is expected close Oct. 30-Jan. 15 for construction.

During the closure, all traffic must use Edy Road for access to and from Highway 99W. See map.

The Elwert-Kruger project includes:

- Two-lane roundabout northeast of the current intersection
- Realignment of portions of Kruger and Elwert roads
- Road widening and additional lanes on Elwert, Kruger and Haide roads, Sunset Boulevard and Highway 99W
- Intersection and signal improvements at Highway 99W/Elwert Road
- Traffic signals at Elwert/Haide roads and Elwert/Edy roads
- Bike and pedestrian improvements

Construction is expected through July 2020. Two additional closures of Elwert Road are expected to complete the roundabout.

This project is funded through the County's [Major Streets Transportation Improvement Program](#) (MSTIP) with contributions from the Sherwood School District and the city of Sherwood.
