**PROJECT OPEN HOUSE**  
5-7 p.m. Thursday, June 21, 2018  
**Brown Middle School**  
1505 SE Cornelius Pass Road  
Hillsboro, OR 97123

Comment on planned improvements for Cornelius Pass Road, between Frances Street and TV Highway, at an open house from 5-7 p.m. Thursday, June 21, at Brown Middle School, 1505 SE Cornelius Pass Road.

The event is sponsored by Washington County Department of Land Use & Transportation (LUT). Representatives from LUT, the city of Hillsboro and the Willamette Water Supply Program (WWSP) will be available to answer questions and solicit comments.

No formal presentation is planned; stop by any time during open house hours.

**Project Description**

This project will widen Cornelius Pass Road between Frances Street and TV Highway to five lanes (two travel lanes in each direction and a center turn lane) and add a dedicated right-turn lane from westbound TV Highway to northbound Cornelius Pass Road. The project will also include continuous bike lanes and sidewalks, street lighting, storm drainage upgrades and safety enhancements. WWSP, a partnership between Tualatin Valley Water District and the City of Hillsboro to build an additional regional water supply system in Washington County, will be constructing a 48-inch drinking water pipeline in conjunction with the roadway improvements.

**Project Schedule**

This project is in the design phase. Construction is anticipated for 2020-2021. Project dates are estimates and subject to change.
