Project Open House

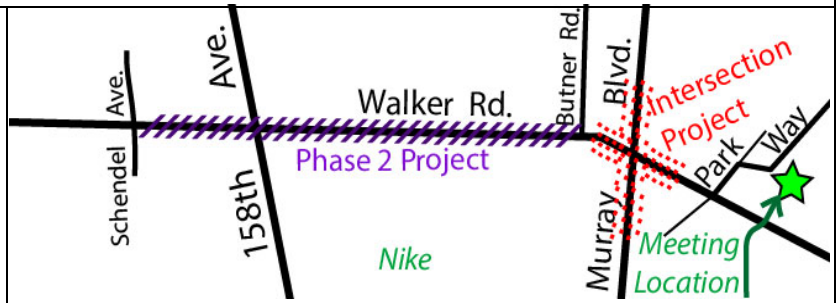

Walker Road / Murray Boulevard Intersection and Walker Road Phase 2 (Schendel Avenue to Butner Road)

PROJECT OPEN HOUSE

5 - 7 p.m. Wednesday, May 30, 2018

at

Holy Trinity Parish - Fireside Room
13715 SW Walker Road Beaverton, OR 97005

Washington County invites you to learn about upcoming improvements planned for the Walker Rd/Murray Blvd Intersection project and Walker Rd Phase 2 (Schendel Ave to Butner Rd) project. County staff and the project design teams will be available to answer questions and solicit comments from the public. No formal presentation is planned.

Walker Road/Murray Boulevard Intersection

Improvements to the Walker/Murray intersection include dual left-turn lanes and dedicated right-turn lanes at all four approaches. A third southbound through lane will be added to Murray Blvd, north of Walker Rd through the intersection, becoming a dedicated right-turn lane at Bowerman Dr. Other improvements include replacing two bridges over Cedar Mill Creek adjacent to the intersection, one on Murray Blvd south of Walker Rd and the second on Walker Rd east of Murray. Also two culverts will be replaced; one located west of Park Way on Walker Rd and the other on Far Vista Street, south of Walker Rd.

Walker Road Phase 2 (Schendel Avenue to Butner Road)

Walker Rd between Schendel Ave and Butner Rd will be widened to five lanes – two travel lanes in each direction and a center turn lane - with continuous bicycle and pedestrian facilities. The Walker Rd/158th Ave intersection will be widened to include dual left-turn lanes on all approaches. Storm drainage will be upgraded and additional street lighting installed.

Projects Schedule

Both projects are in the design phase with construction anticipated for 2019-2020. These dates are tentative and subject to change.

Contact: Matthew Costigan, Project Manager | 503-846-7800 | lutproj@co.washington.or.us

Walker/Murray project: <http://bit.ly/WalkerMurray> **Walker Rd Phase 2 project:** <http://bit.ly/WalkerPhase2>

Language or sign language interpreters can be arranged. Please notify the County at least 24 hours before the event if you require these services by calling 503-846-7822 or 7-1-1 for telecommunications relay service.
