MADELINE STREET

URBAN ROAD MAINTENANCE DISTRICT PROJECT

Madeline Street Pedestrian Improvements

The public is invited to comment on planned pedestrian improvements for Madeline Street between 180th and 192nd avenues.

Project description

This project will build a sidewalk on the north side Madeline Street, between 180th and 185th avenues. The public is invited to comment on which side, north or south, is preferred for Madeline Street, between 185th and 192nd avenues.

Funding

The project cost is estimated at \$901,000 and is funded through the Urban Road Maintenance District (URMD).

Project schedule

Construction is anticipated in spring/summer 2019. Dates are subject to change.
