The railroad crossing on Tualatin-Sherwood Road between Oregon Street and Gerda Lane has deteriorated and is in need of replacement to ensure the safety of road and railroad users. The county is working with the railroad to replace this crossing.

In order to perform the work, Tualatin-Sherwood Road will be closed to all road users for up to 72 hours. The closure is tentatively scheduled to start at 7 p.m. **Friday evening, August 21.** This schedule may change. The most current schedule information is available on www.wc-roads.com.

Signed detour routes will be in place to direct traffic around this inconvenient but necessary road closure.
