Washington County Project Open House 90th Avenue – URMD Safety Project

PROJECT OPEN HOUSE

Metzger Park

8400 SW Hemlock St Portland, OR 97223

5 – 7 p.m. Thur. July 28, 2016

Join us! Washington County invites you to attend a project open house for the proposed **90th Avenue** Urban Road Maintenance District (URMD) Safety Improvement Project.

The project design team will be available to talk about the proposed project with the public and solicit comments. No formal presentation is planned; stop by any time during the event hours. Unable to attend the open house? **Submit comments** to lutproj@co.washington.or.us.

Project Description

This project was selected by the URMD Advisory Committee. The proposed project will construct a 5-foot wide paved pathway along the east side of 90th Ave between Locust Street and Borders Street. It will connect with the existing sidewalk between Borders Street and Hall Boulevard. This continuous pathway would provide a safer option for pedestrians.

Funding and Schedule

This project is funded through URMD funding for safety improvements and is scheduled for construction in 2017.

Assistive Devices: Please notify the County 24 hours in advance of this event if you require assistive listening devices, language and/or sign language interpretation services.
